Minutes

- Met with ECO warriors and we talked about our books and where the teachers should make comments
- We need a meeting with our class to talk about our last meeting this is outstanding
- We all make sure we check our classrooms turning off the lights to save energy
- Isla told us about making sure the paper was put in the large blue plastic boxes. Classes need to decide and vote
 - Do we want to keep the blue large plastic paper boxes?
 - Or do we think the blue plastic bags from the council would be better in our classrooms
- Mrs Nicholson showed us a 2 litre empty milk bottle. Blake told us it was made out of plastic and was not good to put in the sea.
- Mrs Nicholson showed us a video on YouTube about using the bottles to make an Igloo

Wise Owl says 'Laugh, Listen, Learn'

- Can the class decide if they think we could make an igloo out of plastic milk bottles
- Can we ask Mrs Gutteridge if she wants us to have a giant jug to tally how many bottles we get in
- We talked about where we would create our Igloo and the children decided indoors because it could blow away. Do the class agree?
- We decided that parents would need to send in clean bottles because milk will smell
- They have to all be the same – 2 litre clean milk bottles
- ECO warriors will write to the parents and put the letter on Seesaw
