#### Minutes

- At our previous meeting we decided we needed our own book so we don't get muddled with the school council. Mrs Nicholson presented us with our new ECO books.
- We will try and meet Wednesday morning during assembly we thought it would be best for all of us and for Mrs Nicholson to take notes of our ideas.
- New badges were given to the Reception children who have now joined our team.
- EYFS joined us and they were given their badges. We explained that we must always have our badge on our school jumpers.
- We talked about making sure we get our classes to put rubbish the right bin and turn off the lights when we are not in the classroom.
- We took another picture of our school council. The children from Reception joined us.
- We talked about different ECO Codes. We said we needed to make a poster. We 'think pair and shared' our ideas.
- We think the classes might have some ideas:
  - Walk to School and help the environment,
  - Save our oceans they are important we need to keep them plastic free,

Wise Owl says 'Laugh, Listen, Learn'
