OUR FRIENDLY SAFEGUARDING POLICY

SAFEGUARDING IN DODDINGHURST INFANT SCHOOL

Our school has a safeguarding policy for staff, families and governors. This child friendly policy has been designed by the children for the children. They created this policy to help them decide what could be a 'problem' and where to get help and support.

There may be times when you want to talk to someone in school about a problem that might be upsetting you. We have people in school who are specially trained to help you, it is important that you know where to get help if you are worried or unhappy about something:

Safeguarding means that all staff will:-

- ✓ Protect you from harm
- ✓ Make sure nothing stops you from being happy
- ✓ Make sure you are safely looked after
- ✓ Make sure you have the best life chances

There are lots of other people too, who may help you with an upsetting problem and they do not work at your school but care about you just as much as we do.

KEEPING CHILDREN IN OUR SCHOOL SAFE

Has someone hit, punched or smacked you or hurt you in anyway?

Is someone trying to give you something to drink or eat that you know is wrong like alcohol?

Is someone bullying you? Is this happening every day?

DO NOT be scared to tell someone

We will always listen!

You must tell someone at school so we can help you.

You can tell:

- The Head Teacher – Mrs Nicholson
- The Deputy Head Teacher – Mrs Gutteridge
- The Teachers
- The LSA's
- Your dinner Lady
- The ladies in the office – Mrs Walker & Mrs Lewis

Has someone said something to you that upset you?

DO NOT keep it a secret

Has someone touched you on a part of your body like your bottom or chest or anywhere else you do not like?

Stay safe when using a mobile phone or when using the internet. If someone you don't know tries to speak to you or someone shows you a video or photo that make you feel uncomfortable then tell someone.

Other places that might
be able to help you
