Minutes

- We took the register.
- We met with Reverend Ann to discuss how we could support the community in taking part in the Toilet Twinning Project as part of Water Aid.
- The church have already raised funds for three toilets and they have another £20 towards another. Reverend Ann told us some information about the Charity:

By donating £60 to twin your toilet, you help fund a project in a poor community that will enable families to build a basic toilet, have access to clean water and learn about hygiene – a vital combination that saves lives. When you twin, we'll send you a certificate to hang in your loo – showing a photograph of your overseas toilet twin and GPS coordinates so you can look up your twin's location on Google Maps

Wise Owl says 'Laugh, Listen, Learn'

- We decided we will photograph our toilets, and ask our families for any loose change so we can donate to help people across the world.

'Save a Penny to Spend a Penny'

- We made a toilet with Mrs Spicer-Mead for children to put their pennies in.

- Year 2s will write a letter to our families, telling them what we will be doing and how they can help.
- Mrs Nicholson will put a message on the newsletter to reach as many people as we can.
