- Swift and Woodpeckers had written a letter to Mrs Walker about buying the football nets from school funds.
- We had some good comments about Mrs Lewis play therapy room. Freddie from Chaffinches would love to go and play in the therapy room. Mrs Lewis will be looking to see who will be coming into the room to use her resources.
- We talked about looking after the garden. The Year 1 children will be starting their clubs next week and one of them will be a Garden Club run by Mrs Daly. The Club will decide which class will do what to help. They will see what is needed with the watering and weeding.
- We spoke about the plant pots and thought we could write a letter to our families asking if they could donate some garden pots for us to decorate.
- Fitness area in the Year 2 area is good but the children need to make sure they pack the resources away in case it rains.

- We looked at the posters made by Year 2 for the Bug hotel area and thought they were really good. Year 2 will put up.
- We discussed Young Carers. What is a Young carer? Nathan said it was caring for someone. We thought adults looked after people. Mrs Nicholson showed us some photographs of young children caring for their families; she explained that it could also be children, looking after adults, brothers or sisters.
- Lottie said she helps her mum when her hands are bad. Ava said she had helped her sister. Mrs Nicholson asked how we would feel if we had to do this every day all the time and not have time to play or see our friends. Some of us said it would be sad. We talked about how we could help. Ava said we could give money to help them have fun.
- Eco Warriors to now meet with Mrs Nicholson on a Friday afternoon.
