YEAR 1	Taya	Ruby
	Oscar	Callum
	<b>Swans</b>	<b>Kingfishers</b>
YEAR 2	Flossie	Dylan
	George	Florence

#### Minutes

- We introduced ourselves and checked to see who had not got a badge.
- Mrs Nicholson explained how the meetings took place and the information recorded in our books. She read through the minutes from each class and we made a list of what needed to be talked about with our classes.
- We visited the work area where the new cladding is being replaced. We looked at the cladding that was rotten and how we couldn't keep putting up black boards to cover the holes.
- We talked about health and safety and making sure everyone knew we needed to be careful and not to go near the work area and the metal fencing.
- We checked the places Year 2 had decided to use for the bug hotels. We thought they had some good ideas, by the big tyres, by the big oak tree and by the pond fence. Millie noticed an old bench that needed to be removed because it was dangerous. Ruby said we needed to get some more if we threw it away.

### Friday 17th June

Taya noticed that the minutes from the previous meeting held on the 10<sup>th</sup> June had not been put in the book. Mrs Nicholson said she would add Friday's meeting to them.

- Register taken. Hallie from Swifts would be the representative, while Ivy was off ill.
- Dylan and Florence from Kingfisher's introduced themselves as they were not at the previous meeting.
- We still have some children who do not have their badges. Florence from Kingfishers to ask Mrs Driver to speak to Darcie's mum to see if they could have another look for the badge.
- Mrs Nicholson told us about the 'All about me' form, which is displayed in the hall. She will put this in our book.
- We also have not had a photo taken for the board Mrs Nicholson will do this, Hallie said 'that's a lot of jobs for you to do'.
- Mrs Nicholson told us about the job list at the end of the minutes, and how we all have jobs to do at the end of a meeting. We need to check these.
- Millie spoke about the bench in the Year 2 area and that this still needs to be destroyed.
- The school have been given some money from Hi-Ho, the car workshop company in the village. They are giving £1 to local charities for every MOT they do. Mr Pond has nominated our school to receive a cheque for £250. Freddie said he knew what a MOT was; looking after cars and making them work.
- School council to ask the class what we could use the money for? Flossie said we could buy umbrellas for the benches to keep us cool in the hot weather.
- We talked about making sure we drink our water when it is this hot. We need to keep hydrated; 'Drink and refill' we said 3 times, wear hats and make sure we have sun cream on at the start of the day. School council representatives to remind classes of the importance of drinking and going to the toilet.
- Year 2 spoke about Year 1's and their scooters. When Year 1 go in after lunch, they take the scooters in. Year 2s asked why they can't have a go when Year 1 have finished. Year 2s are to ask the MDAs if this can happen.
