#### Minutes

- We took the register and introduced ourselves to the group.
- We checked to see who had badges and who still needed them.
- Mrs Nicholson checked to see if the school council representatives had completed their 'All about me' form. A big well done to EYFS who had completed and given them to Mrs Nicholson.
- We talked about what the previous school council had achieved and if we thought we needed to do more.
- Calum said that we need more things to play with outside and we need to clean the little sheds.
- School council said they will walk round next week.
- We talked about the new playground system where the year groups are now mixing. The Year 1 councillors said it was working well.
- Year 2 said that some of the children had destroyed their bug hotels so we said we would need to talk to our classes.

## Class reports

**Swifts** class said they are enjoying playing with the other year groups at lunchtime. They voted for Option 2 of the new playground rules.

**Woodpeckers** voted for Option 1 of the playground rules. Representatives have their badges.

**Robins** - No comments

**Chaffinches** liked the mixing at lunchtime because they could go on different playgrounds, play with different people and have different things to play with; feels like one giant playground. Some people said they think children might get hurt and they have less space. Frankie asked for more flowers, Lola a dirt pit to dig in, and Ivy - can we have scooters.

**Swans** like the mixing at Lunchtime. Year 1's need to be careful at lunchtime as their bug hotels were ruined. Year 2s to have scooters.

**Kingfishers** - No comments
