Minutes

- Everyone attended and each class introduced their new class representative. The old school council gave the new group their badges. The council then explained what needed to be done and what it meant to be a good class representative. Gracie said 'you need to listen and then ask your class what they would like discussed at the next meeting'.
- School council visited the Priest House and presented the Community Knitting group with a box of chocolates and a letter to say thank you for all their knitting, especially during Covid. We loved last year's Father Christmas and Angel characters. We were also pleased they had knitted Easter bunnies for us to find in the Church grounds on Wednesday.
- The old school council left but not before Mrs Nicholson presented us with certificates, goodie bags and a drink of chocolate milk shake.
