Minutes

1. We all said hello, our names and our class name

Wise Owl says 'Laugh, Listen, Learn'

2. We talked about being representatives for our class. We talked about the word 'representative' and what it means
3. Camden said we could put things down on a 'Post it note'. Mrs Nicholson showed us the school council form. We decided to use this because it was a bigger piece of paper
4. We could put the form in a book and read it to our class. Our teacher can then write notes about our ideas or suggestions
5. We appointed Camden to write the notes. Year 2 will copy the notes and put them in every class School Council book
6. We looked at our Website and our School Council page. We will have a big picture of us and a copy of the minutes

Any other business

7. We asked for badges so people know we are the School Council and we went to see Mrs Walker in the office and asked if she could buy them for us. We asked if we could have them by Friday 13th January
8. We had our picture taken and we found a notice board we could use to pin messages on
