Wise Owl says 'Laugh, Listen, Learn'

- Ivy said she doesn't think the children are listening especially at lunchtime, when the dinner hall is very noisy. We talked about the noise and how we could improve. All council members agreed it wasn't good.
- Mrs Nicholson asked the council to speak to their class to find out ways we could improve and things we could do to try and bring the noise level down.
- Mrs Nicholson said it was the first time since COVID and lockdown that the children had started to have lunch in the hall and maybe the children had forgotten how to be in the hall.
- Year 1 and 2 told the groups about the different playground games they have been playing and how much fun they have been having.
- We talked about our Child Friendly Safeguarding Policy and that this should be read to all the children so they can add information and agree they understand.
- We congratulated Swans on getting £15 for their class by winning the attendance 'Doddie' they need to decide what they will be buying and give the request plus the money to Mrs Walker.
