### ROBINS

#### Swings, slide and Monkey bars

We decided we didn't have enough space for these and we have a park next door so we can use this after school

#### Trampoline

We have lots of children in the school we would not get a go

#### Decorations

What do you mean?

#### Scooters

We can talk to Mrs Salmon about this

#### Paint the walls

What walls?

#### Have a garden with flowers

We could get someone to clear the patch outside the Art room and plant some flowers

### SWANS

#### Lunch outside

We can have pack lunches outside, in the summer. We spoke about wasps when we eat our lunch and how they like to join us

#### Use the PE apparatus more

The school council spoke to Mrs Salmon. The focus for Year 2 this term is Gymnastics so they need to speak to their teachers

#### Play with other children in other years at playtime

We will mix Year 1 and Year 2 after Easter

#### More chalk

The school Council can order more chalk from Mrs Walker but we need to make sure the chalk is used just on the big black boards

#### Use the EYFS playground

EYFS can swap with Year 1 & 2 once every two weeks

#### Use the nature area

School Council to do a H&S walk to see what needs to be done

#### Packed lunch children to have a treat because school dinners do

Children who have pack lunch have a treat in their lunch bag, packed by their parents

#### Use Pirate ship more

We all said it was very muddy by the Pirate ship so what could we do. Camden said we could find out how much it would cost to have some little stones put down.

#### Get new basketball nets and balls for Year 2

The nets keep breaking so we will order some more

#### Football area

We could ask the Junior school if we could use the field when it is less muddy. Write a letter to Mr Davies

Wise Owl says 'Laugh, Listen, Learn'
