- Mrs Salmon joined our meeting, telling her about the Basketball nets. Frankie told Mrs Salmon that one had broken. Mrs Salmon said she would meet with Swans at lunchtime and they could look at them in the Sports brochure.
- School Council asked Mrs Walker to order some bins for the playground.
- We looked at the plans for the Nature area. Kingfishers had done lots of research and given the council a detailed report. We will wait for the other classes to come back with their ideas and decide how we will create a plan.
