Actions from previous meeting

Minutes need to be read to the class – outstanding actions

Minutes

- We looked at our last meeting notes and we said it had been a little while since we had met.
- Mrs Nicholson explained how busy we had all been, especially as we have had our special visitors, 'Ofsted'.
- Mrs Nicholson said that all the adults in the school were very proud of our children and how well behaved we had been. The Inspectors thought that too.
- She told us we should be very proud to come to Doddinghurst Infant School.
- We went over our last meeting notes and talked again about the Marking Policy and what symbols teachers use when marking our work. We know what pink and green mean but we were not sure about the other symbols. We think we will need to have our teachers explain them to us again.
- Lunchtime - we talked about how playtimes have been, especially lunchtime. Callum told Mrs Nicholson that the basketball nets were not back up after the men had finished the building work. She agreed this needed to be done.

Wise Owl says 'Laugh, Listen, Learn'

- Mrs Nicholson spoke about us having a Fire evacuation practise next week.
- We talked about why we have them. Ivy told us about dropping to the floor and rolling if you are on Fire.
- Ruby told us we go to the Junior field.
- Callum told us about 'drop and roll', Mrs Withers had explained how you do this in Forest schools if there is a fire.
- We then spoke about smoke and we decide you needed to be near the floor because the smoke rises and you do lots of coughing.
- We also said we need to celebrate our attendance with the 'Wheel of Fortune' Mrs Gutteridge will do this on a Friday. School council will get the attendance marks from Mrs Walker.
