### Minutes

- We took the register and all councillors had their school badges.
- We discussed the comments made by each class.
- Swifts and Woodpeckers decided on some goals for their area and the council will write to Mrs Walker to ask if £50 is ok to spend.
- We went to see the new play therapy room in the House. We

were all very excited to see how Mrs Lewis had made one of the rooms look really lovely.

- We like all the different areas and enjoyed looking in the different drawers to see what treasures could be found.
- We then went to the garden area and discussed the comments made by the classes.
- Mrs Nicholson will talk to us in Assembly on Monday.

## Class reports

### Swifts

Football goals have been decided on. School Councillors from EYFS to write to Mrs Walker asking if we can find the money to buy.

Ideas for Role Play areas in EYFS:

Fire Station, Garage - racing cars, Petrol station, Music shop, Clothes Shop, Zoo.

School council ask if these were big shops or little play?

Garden - Class think we should take turns to water the plants - Swifts would like to water the plants along with Woodpeckers,

Plant some more seeds,

Grow some lovely flowers.

### Woodpeckers

Class found some goals that they felt would be good for the EYFS area. 2 Goals will be needed. Council said the ones with the clips to hold down.

Garden - Helping Swifts to water the plants unless it's been raining,

Can we paint the plant pots to make them look nice,

They would like to help weed the garden.

### Robins

Suggestions for watering the garden:

Each class have a watering can and are given a particular area to water. This can be done by both Eco Warriors and school council. School council thought this was a good plan.

Bird feeders once a week and Mrs Sharpling will monitor.

Henry thought we could get water sprinklers.

Gardening Club who come into school early to water, bird feeders can then be refilled - Classes to decide.

### Chaffinches

Class loved break the rules day, bringing their own toys, naughty snacks and doing what they wanted to do.

They all still enjoy mixing at playtime.

They'd like more flowers growing around the school.

Mrs Nicholson to discuss garden and monitoring in assembly.

Sticks at break time need to be moved to another area, not to be used on the playground as this takes up too much play area.

Basketball club, school council to talk to Mrs Salmon.

### Swans

Swans discussed the setting up of the Fitness circuit:

Cones - running around, Hoops Hula - hooping, Skipping ropes - skipping, Ladders - running skills, Bean Bags & hoops - throwing targets.

3 monitors will set this up.

School council asked if this was just at break time or would it be at lunch?

Mrs Sweetman suggested Super Buddies at the end of lunch to water garden.

Do we have enough watering cans?

Class to complete Bug hotel signs.

Wise Owl says 'Laugh, Listen, Learn'
